

Sand Micro[™] Customline[®]

PERFORMANCE SERIES

Mineral Fiber Ceilings

Features & Benefits:

- Special pulverized marble aggregate coating for rugged durability.
- Upscale look that offers durability and resists sagging.
- Clean 3-dimensional scoring for visual impact.
- Scoring gives the appearance of 2' x 2' panels without the need for 2' x 2' grid system or labor.
- Micro perforated for aesthetics and sound absorption.
- Lightly textured surface provides an attractive finish with excellent light reflectance and durability.
- No added formaldehyde.

Applications:

- Hospitality
- Retail
- Offices
- Education
- Healthcare
- Restaurants
