Taping

- Superior bonding strength for paper tapes and tape on trims
- Designed for optimal shrinkage on taping coats
- Flows well and lighter weight designed for Bazooka automatic taping tools
- Great for laminating
- Fast drying

All-Purpose

- Low shrinkage, less than conventional formulations
- Great slip and other working characteristics
- Flows well in boxes and other automatic taping tools
- Fast drying

Finishing

- Very low shrinkage, less than conventional formulations
- Excellent topping coat to achieve a GA Level 4 or 5 finish
- Fast drying
- Easy to sand
